

What is tip411?

Tip411 is an anonymous texting tip line. It is a popular crime fighting tool that has been used successfully to reduce crime in over 1,400 communities across the United States.

Spirit Lake Tribe has partnered with tip411, to encourage our community members to provide tips to our local law enforcement without the worry of the police department knowing who they are.

How do I use tip411?

Spirit Lake has two different ways you can send anonymous tips. You can use your texting feature on your cell phone or use our Spirit Lake Tribe app.

Using Your Cell Phone Text Feature

Using your cellphone, type "847411" in the contact box on your phone. In the message box, type "SLTPD" and add your anonymous tip.

Spirit Lake Tribe App

Spirit Lake Tribe has a FREE app that is available for download in the app store on both iPhones and Androids.

From this app you are able to access the Spirit Lake Tribe's website and can also submit a tip!
