## STEPS TO HELP PREVENT Prescription Drug Abuse

Be responsible with your medication.

### LOCK

Keep medication out of sight and in a safe and secure place.

### MONITOR

Keep track of medication and take only as directed.

### TAKE BACK

Drop off unused medication at local Take Back locations.

To find the location near you go to [www.ag.nd.gov/PDrugs/TakeBackProgram.htm](http://www.ag.nd.gov/PDrugs/TakeBackProgram.htm).

68% of people who abuse prescription pain relievers obtain them from a friend or relative.
