

DEADLY DOSE

THE REALITIES OF FENTANYL AND DRUG OVERDOSE IN OUR COMMUNITY

A free community forum featuring the locally produced documentary "Faded" by MeiLi Smith and open discussion.

Tuesday, May 10

6:30 - 8:00 p.m.

Empire Arts Center | 415 DeMers Avenue | Grand Forks

TOPICS:

- » A presentation of the powerful documentary "Faded" featuring real life struggles in Grand Forks. This documentary will also be viewed by high school students in the area.
- » Discussing the impact of the synthetic drug crisis in Grand Forks and surrounding communities.
- » Addressing the impact on our youth and families.
- » Discussing ways to raise awareness, prevent, treat, and combat the issue.

Experts from the medical community, public health, education, human services and law enforcement will participate in a panel discussion on how our community and surrounding communities can work together to find solutions for the realities of fentanyl and drug overdose.
